

Pressrelease 05 March 2008

Sustainable Technologies Fund expand its team

Klas Gustafsson has joined Sustainable Technologies Fund as investment director and adds to the team of Andre Heinz and Anders Frisk.

Klas Gustafsson has extensive Venture Capital industry experience. Prior to joining Sustainable Technologies Mr. Gustafsson has spent the last 10 years within the venture capital industry. Mr. Gustafsson has worked for leading Venture Capital firms like Northzone Ventures and AB Traction. He has also been on the board of directors of the listed companies Academedia, Biophausia and Nordic Camping.

- We are very happy to add Klas as a member of our team, says Andre Heinz. Together we have extensive experience of sustainable technologies, growth companies and venture capital which gives us excellent opportunities to make long term profitable investments in cleantech companies, continues Andre Heinz.

- I am very happy to join Sustainable Technologies Fund, says Klas Gustafsson. I have been very interested in cleantech for some time, and seen it develop into one of the most attractive investment categories. No other Scandinavian venture capital firm has the same knowledge about sustainable technologies as Sustainable Technologies Fund, continues Klas Gustafsson.

Sustainable Technologies Fund

Sustainable Technologies Fund is a private equity growth fund focusing on Nordic Cleantech companies. The fund seeks investment opportunities in companies in the sector of renewable energy, renewable materials and chemicals as well as technologies for recycling and purification.

Anders Frisk and André Heinz are the founders of Sustainable Technologies Fund. Anders Frisk was previously Managing Director for the pan-European venture capital company Speed Ventures as well as the environmental organization The Natural Step, which advises corporations on sustainable development and strategies. André Heinz has worked with strategic and scientific issues regarding corporate sustainability since 1993 and is a member of the board and investment committee of The Heinz Endowments in the USA.
